01

Company Overview

Established since 2006 AVEREX Automation has become Taiwan's premier precision horizontal machining center manufacturer.

AVEREX specializes in high rigidity, high speed, high precision flexible HMC with field expandable pallet and tool changers.

500+ HMC global sales record attest to our wealth of experiences in proven design, production and services.

Company Overview

Quality Policy

Pursuit of Quality Perfection & Leading Brand Recognition

The CNC Professionals

Every management team member possesses over 20 years of experience in machine manufacturing and sales.

Company Overview

CE & ISO 9001:2015 Certification

2010 CE Approved Certification

2012 ISO 9001:2008 Certification

2015 ISO 9001:2015 Certification
